A Step Together. A Step Beyond.

OUR MISSION

It is our mission to prepare underserved youth for success in college, career, and life through dance education, academics, and family services. We are a Creative Youth Development organization and believe in the power of a holistic approach. We commit 10 years to our students, taking them from 3rd grade through high school graduation and beyond.

Together in partnership, we empower youth to step beyond their circumstances and succeed.

OUR IMPACT.

The ASB model has proven results. 100% of ASB 12th grade students have completed high school and received acceptances to college and career programs. 98% of ASB students report that ASB helps them feel more successful at school, and 99% report that ASB makes them feel confident in their abilities good about themselves. Overall, students report positive changes in factors related to resilience, relationships, learning, and school engagement.

ASB social and economic impact extends beyond the individual student into the community. A CSU San Marcos study shows that ASB has a combined \$1.9 million impact on the Escondido economy through its investments in the lives of students, teachers and staff, and partnerships with local businesses.

01 DANCE EDUCATION

Comprehensive Dance Program

A Step Beyond is a Creative Youth Development organization. Our dance program gives students the opportunity to learn new dance forms, experience the audition process, work with professional choreographers, and perform in annual performances.

"Through dancing we give shape and motion to our feelings, to our understanding of ourselves, to our past experiences, and to our future hopes. At A Step Beyond we dance for so many reasons, to learn, to imagine, to feel confident, to escape, to exercise, and to be in community. Dance is more than a field of study. For us, dance is a lifestyle."

Jenn Oliver, Chief Artistic Officer

Annual Audition Day

Annual Audition Day is held at the beginning of the school year and is the culmination of the "Fall Into Dance" recruitment program exposing students to ASB in elementary schools in Escondido and San Marcos. At Audition Day, prospective students learn a dance routine to perform for a panel of judges while parents engage an informational session with ASB staff to receive an overview of the program's commitments. In 2025, volunteers and staff members contributed to make the day a success and ASB welcomed a new cohort of 3rd and 4th grade students!

"I want to come to A Step Beyond because I like to learn different moves and it makes me happy to be here."

Anthony B., 2024 Audition Day Prospective ASB Student (3rd grade)

01 DANCE EDUCATION

Arise! Concert

The annual Arise! Concert is the culminating performance event of the academic year, showcasing the talent and creativity of A Step Beyond students. In collaboration with ASB's Teaching Artists, students choreograph and perform original dance pieces. For our Seniors, this is their final performance before graduating the ASB program. Each piece is a reflection of the students' unique personalities, experiences, and journeys of self-expression, making Arise! a powerful celebration of their artistic voice and growth.

"Dance involves their bodies, their mind, their feelings. If they show up, we will make a difference in their life."

- Karla Navarro, ASB Dance Director & Teaching Artist

El Alebrije Performance

El Alebrije is an annual concert performed by A Step Beyond students in November at the California Center for the Arts, Escondido. El Alebrije is A Step Beyond's unique retelling of the traditional Nutcracker story. The performance celebrates family, community, and Mexican heritage by following a young girl's sequence of dreams on the night of her quinceañera.

"I was excited to do El Alebrije. It was my first performance. My parents were in the front row for both performances. The first time we performed, we went out to eat afterwards and the second time they brought me flowers."

- Demaris, 4th Grade

01 DANCE EDUCATION

Exclusive Dance Sponsorships

Pointe Shoes Sponsor	\$1,500
Uniform Sponsor	\$10,000

Every dancer deserves the opportunity to step onto the stage with confidence. By sponsoring pointe shoes, uniforms, or costumes you provide essential resources that remove financial barriers and ensure every student can fully participate in the transformative power of dance.

These items are more than just attire or tools of artistic expression – they foster a sense of belonging, professionalism, and pride. Help them look the part and feel like they truly belong.

“Being able to support A Step Beyond through the Bro-Am Foundation means the world to us. Watching these students express themselves through dance and creativity is a reminder of why we started the Bro-Am in the first place: to lift each other up and help every kid find their rhythm.

- Switchfoot

“Dance has taught me that I’m a very passionate person. I love the arts and I wouldn’t have discovered that if I wasn’t introduced to dance at A Step Beyond.”

- Ruby, Class of 2024

02 ACADEMICS

Comprehensive Academic Program

A Step Beyond offers a robust curriculum of academic support. Students participate in tutoring and homework assistance, literacy interventions, and one-on-one academic counseling. ASB's College & Career Readiness Initiative prepares students and their parents in making lifechanging decisions about their future. Starting in the third grade, ASB students learn about their RIASEC themes, or vocational personality types, and have access to World of Work exploration and Career Labs, mentorships, and real world experience.

"I feel like I have a trusted adult to talk to about school. The academic program is really good. It helped me with my schoolwork like my homework when I need help with material I don't understand. I feel really empowered"

- Ximena, 5th grade

ASB Graduation Ceremony & Reception

100% of A Step Beyond graduates not only complete high school, but are accepted to the college and career programs of their choice. ASB's celebratory graduation event features heartfelt speeches and dance performances and showcases graduates' incredible 10-year growth. Many of ASB's students are the first in their family to graduate high school or attend college. Whatever their post-high school college or career aspirations are, ASB is here to support our students and ensure they have a plan in place to meet their goals.

Stephanie, a 2024 high school and ASB graduate, is now attending CSU San Marcos, pursuing a career in engineering. Speaking of ASB, Stephanie says, "They bring a new generation closer to college, to their dream job, to be successful in life. And every kid deserves that."
